**C. Golf Coaching:-** We had 3 coaches coaching the beginners for the past 3 months, we would, from June onwards have vacant slots. To improve the game of beginners we would like to once again offer coaching slots for the improvement of game as well as slots to members who have not already taken coaching programs.

We appreciate the enthusiasm shown by some members to take their friends to play on the course without going through any formal coaching programme, however, we will strictly implement a system whereby no member is on the course without formal coaching. This is because of problems on the course later on due to lack of knowledge of Golf Rules & Etiquettes.

**D. Proshop:** - New arrivals – Beginners golf sets from Hippo – Trolleys.

**II. Swimming:-**

**A. Swimming Competition:-** The competition was a great success with about 35 children having taken part. Mr. Rajguru, Commissioner of Income Tax was the Chief Guest for the evening and gave away the prizes. Each participant was also given certificates.

So interested members who have missed out the coaching programme in summer vacation can take advantage of her being here.

The aqua exercise programme has received a very favourable response, right now only ladies are taking part in this batch between 6:00 to 7:00 a.m. Gentlemen are also invited for this programme. The fees would be Rs. Rs. 1250/- per month (Monday to Friday every week)

**C. Cancellation of Guest Day:-** A majority of regular swimming members have complained and suggested that the guest day be scrapped completely. This is because of the following reasons:-

- i. Unruly behaviour in the swimming pool by children who are guests of members.

- ii. Misuse of changerooms & allied facilities of showers etc.
- iii. Leaving the toilets soiled & dirty.
- iv. Spilling Powder & oil on the basin counters. In spite of attendant's being around in the change rooms.

The guest charges applicable on all days would be as under:-

Children Below 10 years	...	Rs. 250/-
Member guest	...	Rs. 350/- per guest.

**D. Membership Cards:-** Our staff has brought to our notice that a few members are not carrying their membership cards to the club house and especially to the swimming pool. Their guests are being registered as family members. Upon verification in the forms, we have found out that such children are not registered in the forms and accordingly we have billed the members. We request you to kindly co-operate with the reception staff and carry your membership cards.

**III. Gym:-** The missing equipment in weight section of the gym has arrived and members are taking advantage of the facilities being offered. Our trainer has successfully started programmes on the following aspects:-

Weight Loss, Quick weight loss, Weight gain, Flexibility workout, Body building, Diet Chart & Supplement counseling.

**Gym Shoes:-** A few members do not change their shoes before entering the gym, this spoils the equipment being used. We request all the members to co-operate and keep a separate pair of shoes for the gym.
