

31 AUG'2010

Dear Member,

We have made significant progress on the club house refurbishment work and hope to throw open the lounge area, reception area, a meeting room, dedicated accounts office & the much awaited pro-shop sometime this month. We shall thereafter take the remainder portion of the ground floor for refurbishment and finish the same in quick time. I shall have to request members to bear up with some more time on the washroom front & use the facility at the change-rooms for some more time. Thanks to many requests received, we will start subscribing for newspapers at the clubhouse verandah. Once the lounge area becomes functional we shall stock up with plenty of other reading material.

⇒ CLUB LAWNS

I am pleased to inform you that the management has decided to permit members to hire out the club lawns adjoining the swimming pool area for functions & parties. Further, I am pleased to inform you that we would be installing this month extensive outdoor lighting for this area for the benefit of all. While letting out these premises we would ensure that members frequenting the club are not inconvenienced. Should you be interested to hire out these premises our office will mail you all the details. Our first event booked by one of our members will be held on Sunday, 19 Sept'2010. The change-rooms & swimming pool will be close for members at 20:30 hrs on this particular day

⇒ GOLF COURSE

Despite heavy showers through August the course staff have worked overtime to ensure good playing conditions.

YOUNG SAPLINGS

We have planted many young saplings all over the course. While we may take some time to mark them all golfers are requested to take care while playing. Plants once uprooted or damaged will take ages to grow.

CADDY

Our new caddy system has received mixed responses. We are also adding a new lot of caddies this month & golfers are requested be patient with them. Below stats for the first month would make interesting reading. Of the total 907 rounds played, 49% were marked as EXCELLENT, 40% as GOOD, 10% as AVERAGE & 1% as POOR. Due to inadequate rounds caddy grading stands differed to mid September.

GOLF CARTS

We are pleased to announce the arrival of our two golf carts. All details on hiring the carts are attached in a separate pdf file. The special packages have been reasonably priced keeping in mind the regular player.

NEW HANDICAP COMMITTEE

We are pleased to announce the new handicap committee comprising of HARDEEP SINGH ANAND, DWITAL PARIKH, RAJU SAXENA, PARAG JOSHI & NIRAJ PATEL. The new handicap committee is in the process of revising handicaps before the advent of the tournament season. As such, submission of scorecards is absolutely mandatory for all playing members, and for the committee to review the handicap. W.e.f. 29.8.10, members are requested to collect their scorecards from the security at the time of check in. With duly filled in gross scores & the tee boxes that you play off, the same is to be submitted back to the security, when signing out. Please drop your card in the box marked SCORECARDS. Please also ensure that the marker duly signs your card, or else it will be invalid.

TOURNAMENTS

The much awaited Singles and Doubles Knockout Tournaments are scheduled to begin on 1st of October 2010. We will start collecting entries from 15th of Sept till 25th of Sept. Please select your partners carefully, if you want to stay in contention for a longer period. Both these competitions are fiercely fought and there are attractive prizes for the winners.

Below are the dates for the club monthly events.

12th Sept'2010 - Stableford Competition

26th Sept'2010 - Strokeplay Competition

Interested golfers may register for the event at the clubhouse or mail us.

SHOE CLEANING FACILITY

For the benefit of all golfers we have installed an air compressor close to the clubhouse entrance. Please use this facility, as it will be a huge burden off our housekeeping dept. Also, please instruct your respective caddy to use this facility to keep your golf bag, particularly irons, dry after a round. Most clubs give way thanks to dampness.

⇒ SWIMMING POOL

We have received request from some members to keep the pool open through the day. We wish to inform all members that the pool and change room facilities are **OPEN ALL DAY** from 6 am to 9 pm. However, members may please note that our pool **LIFEGUARD** is on duty from 6 am to 10 am & thereafter from 4 pm until 9 pm only. Members who wish to use this facility during his absence do so at their own risk and we would discourage any member with any sort of health related problems or somebody who is unable to swim to use the pool. Further, during these hours children below the age of 14 will have to be accompanied by an adult.

⇒ ACCOUNTS

Due to all the ongoing construction work our displaced office staff was unable to send you monthly club bills. All bills have been dispatched by 25th Aug. In case you have yet to receive your statement or have a query, Please get in touch with either Tejal or Varsha. I would also request you to clear your dues at the earliest.

⇒ BADMINTON

While the turnout for badminton keeps increasing every month we have not been able to get rid of some of the water leakage problems. We plan to take up the roof repair job on a larger scale sometime in Feb/Mar 2011 so ahead of next year's monsoon.

⇒ HOLIDAYS

The Club will remain open on JANMASHTMI 2nd Sept'2010. On 22nd Sept' 2010 being the last day of GANESH VISARJAN the club will remain closed from 12 pm onwards.

⇒ PARKING

We have cleared up a large area of parking and intend improving it further. Members are requested not to park cars in front of the club entry point and blocking the passage thus inconveniencing all other members. Your cooperation will be highly appreciated.

Post monsoon, I hope you begin using all the facilities more regularly.

Warm regards,

NIRAJ GAEKWAR
(OFFICER – OPERATIONS)
