

# When was the last time you played for someone else?

Dear Friends,

It gives us immense pleasure to announce 'RCBS Golf tournament 2011'. The tournament is organised with a noble cause to support and provide slum kids a better educational facility. All the proceedings and funds generated through this tournament will be donated towards building educational infrastructure and provide opportunities to kids who can't afford them. We look forward to your support and encouragement.

Take a shot at making a difference. Participate in the RCBS Golf tournament, and you would be playing a bigger sport - by helping change the future of a child.

Join us in teeing-off to  
a better tomorrow.
