## Rules

### FIXING MATCHES

Unlike cricket, this only means that the players, whose name appears below their opponent's, have to fix the game. They have to e-mail (cc to GBGC) their opponent and offer an AM and a PM time on separate days within the cut-off date that the opponent will confirm by return mail. There will be no extension of the cut-off date under any circumstances. If a Match date is not agreed between the two players, then GBGC will fix a suitable date & time, binding on both players. If any player does not confirm by return mail, the date / time fixed by GBGC, then the opponent gets a walkover.

### HANDICAP & STROKES

Players have to play with their current handicaps and if revised, they will come into effect immediately. (Handicap can be revised during the tournament too) **BACK MARKER** will give 60% difference of strokes to his opponent. Fractions to be rounded off **UPWARDS**. E.g. If A is 15 and B is 24, then 60% means 5.4 shots, which when rounded upwards means 6 shots over 10/18 holes as per stroke index.

### TEE BOX #

Men will play from TEE# 3 and Ladies / Juniors will play from TEE# 5.

### MATCHES

Matches would be played over 10 holes only. In case of a tie, playoff will be from 1st Tee and no strokes would be given. From Semi-Final onward stage, matches will be over 18 holes. To speed up play, if one player is down by 4 holes after the 7th, then the match can be conceded.

### LOCAL RULES

As per the score card will be applicable. Other rules will be as per R&A ([www.randa.org](http://www.randa.org))

### SCORE CARD

to be duly filled in and signed by both players and submitted to the club, failing which both the golfers would be disqualified. Names of winners would be entered on the chart by GBGC club personnel only.
