AWESOME 2012 !

General Info

Wishing you a Wonderful New Year ahead .

The Club Christmas Party was well attended with over 200 children greeting our ever green santa - Claude ! Thank you Claude for your time & patience with all the kids.

Club's first ever organised New Year's Eve Dinner & dance party received an overwhelming response. We have followed a simple principle based on a first come basis. Unfortunately we have had to refuse passes to all those who requested us late. Next year please respond early !

All our weekend special menus have been received well by members. We shall continue to churn out interesting menus through the

winter to cater to all varying taste buds. January is a busy golf month.

On the 21st & 22nd Jan weekend ,Siddhrajsinh Of Lunavada will dish out the famed Sailana food recipes. We shall circulate all details by the 10th Jan. The club will not be doing any F & B service on 7th,8th & 26th Jan.

The club's own Captain's Cup is scheduled for 11th & 12th February 2012. This year's event is dedicated to Baroda's most celebrated ruler , Maharaja Sayajirao Gaekwad- 3rd.

During the month we shall be taking the women's change room section for a refurbish & paint job. Dates will be informed to all via mail.

With " No Shows" coupled with false names being booked through our net tee booking system on the rise, the club beginning Jan'12 will slap a Rs.100 fine for on such erring members. The club has been patient but with a sharp increase in complaints we have no other option but to introduce this system as followed in many member clubs worldwide.

On 14th Jan'12, post 12 pm the club will remain closed for Makar-Sankrant.

The Badminton Covered Courts will be partially closed on 19th & 20th Jan 2012 for a corporate event.

On 1st Jan , the club will do a limited breakfast service. Golfers are requested to note.
